

As Tyap Fair & Exhibition Group, we have combined our 45 years of experience in the field of fairs and exhibitions with the experiences of Messe Dsseldorf. In 2023, our cooperation as the two major players in the fair and exhibition industry made the Fair a key trade platform of the pipe, wire and steel industry. The synergy and new identity arising from that cooperation will help Tube Eurasia Fair maintain its position as a strong sales and marketing center preferred by the entire industry in 2025 as well.

One of the most valuable fairs in the industry, Tube Eurasia Fair will be organized by Tyap Fairs and Exhibitions Organization Inc., in cooperation with the Steel Pipe and Profile Manufacturers Association (EBID) and Messe Dsseldorf.
